**Top Stories from Computing Sharing to the SRU-Electronics> Share Your Story>Our experience and accelerators = your success>Benefits of agility in business-> New Special Report: Agility>Know why, Know who, Know**

## MOU.jpg SRU-Electronics – The Community For Entrepreneurs Research Starts Here

"SRU-Electronics is an impressive research portal that also provides an interactive component that draws from both social media and knowledge management processes."

Our events provide you with laser focused content, unique experiences, access to people & ideas that create innovation, relevant connections, & generate business.

**SRU-Electronics**

WE DEVELOPED A COMPLET RANGE OF RELIABLE SOLUTIONS AND SERVICES

BECAUSE YOU NEED QUALITY AND DURABILITY

At the core of performance

**Participative Transformation**

sharing information, knowledge, risks and profits

**Interactive Business Communities**

Turn Strategy into Action, to deliver to add value for best results

I am great believer in luck, and the harder I work, the more I have of it. Luck wille certainly play a part in our futures success, if we work hard at it

SRU-Electronics reframes organisation culture to bridge the divide and improve results

Business educators, researchers and senior executives responsible for strategy, particularly in high-tech industries, will find insight and ideas to tackle market and business discontinuities on the 21st century.

ARTICLES

**Is your brand ready for expansion? Are you ready to impact the highly covered U.S. market? It takes more than just a good idea to navigate the Atlantic and drive brand awareness in the States. At Gershon Consulting, our sophisticated team of industry professionals can help companies realize their goals. Every successful entrepreneur knows that great businesses are as equally concerned with what is sold, as well as where it is sold.**

Gershon Consulting offers businesses "one-stop" shopping with turnkey comprehensive solutions, as well as customizable media and branding programs, and access to tailored strategic partnerships. Led by Olivier Attia, the Gershon Consulting team has extensive experience and a proven track record taking businesses to the next level... on both sides of the Atlantic. Gershon Consulting executives possess the desire and the "know-how" to facilitate and add value to a wide range of businesses.

Gershon Consulting's value proposition is supported by a 360° service platform focused branding, communications, marketing and sales. Our U.S. strategies are designed to turn the idea of expansion into commercial success.
